

# CIIS National Meeting 2023

## *Interdisciplinary Health Care*

March 31 <sup>st</sup> , 2023 (Friday)	
TIME	ACTIVITY
9h30-10h00	Registration
10h00-10h15	<b>Professor Isabel Capelo Gil</b> – Rector of the Universidade Católica Portuguesa
10h15-10h30	<b>Professor Paulo J. G. Bettencourt</b> – Meeting Chair, CIIS Deputy Director and CatólicaMed Director
10h30-10h45	<b>Professor Marlene Barros</b> – CIIS Director
10h45-11h00	<b>Professor António Almeida</b> – Católica Medical School Dean
11h00-12h00	<b>Guest Speaker - Professor Tomáš Zima</b> Charles University, Prague, Czech Republic
12h00-14h00	Lunch Buffet
14h00-14h15	<b>Professor Paulo J. G. Bettencourt</b> <i>CatólicaMed</i>
14h15-14h30	<b>Professor Ana Mineiro</b> <i>Translational Neuroscience</i>
14h30-14h45	<b>Professor Nuno Rosa</b> <i>SalivaTec</i>
14h45-15h00	<b>Professor André Correia</b> <i>Precision Dental Medicine</i>
15h00-15h15	<b>Professor Paulo Alves / Professor Sérgio Deodato</b> <i>Nursing Research</i>
15h15-17h15	POSTERS Session Coffee break
SESSION 1 - Translational Care	
17h15-17h30	<b>Professor Bruno Cardoso</b> - <i>CatólicaMed</i> Targeting Myeloid Malignancies - a matter of time and death
17h30-17h45	<b>Professor Marla Pinto</b> - <i>Precision Dental Medicine</i> Molecular & Immunological approaches in oral inflammatory diseases: a bridge to precision medicine
17h45-18h00	<b>Professor Ana Peixoto Gomes</b> - <i>SalivaTec</i> Validation of salivary biomarkers for Inflammatory Bowel Disease diagnosis and monitoring
18h00-18h15	<b>Professor David Pires</b> - <i>CatólicaMed</i> Targeting lysosomal proteases for a host-directed therapy for tuberculosis
18h15-18h30	<b>Professor Ana Sofia Duarte</b> - <i>SalivaTec</i> Exploring the biological properties and regenerative potential of biomaterials using cell culture models
19h00	Dinner

## April 1<sup>st</sup>, 2023 (Saturday)

TIME	ACTIVITY
	<b>SESSION 2 – Clinical Care</b>
9h30-9h45	<b>Professor Carla Pais-Vieira</b> - <i>Translational Neuroscience</i> <i>Psychological autonomy and central pattern generator activation in a spinal cord injury patient during immersive motor imagery BMI-Driven VR System</i>
9h45-10h00	<b>Professor Paula Ravasco</b> - <i>CatólicaMed</i> Nutrition in Cancer: Into a growing future
10h00-10h15	<b>Professor Paulo Alves</b> - <i>Nursing Research</i> Clinical Wound Support I Decision-making in wound monitoring and treatment
10h15-10h30	<b>Professor Zaida Charepe</b> - <i>Nursing Research</i> HOPE2BRAIN+: Evaluating the effectiveness of a hope-promoting multilevel intervention program for increasing executive functions and quality of life in children with cancer disease
10h30-10h45	<b>Professor Frederico Couto</b> - <i>CatólicaMed</i> Cognition in psychiatric disorders
10h45-11h15	<b>Coffee break</b>
11h15-11h30	<b>Professor Pedro Melo</b> - <i>Nursing Research</i> MAIEC Project- Research on Community empowerment at the service of the sustainable development goals
11h30-11h45	<b>Professor António Almeida</b> - <i>CatólicaMed</i> Epigenetics in hematological malignancies
11h45-12h00	<b>Professor João Miguel Pereira</b> From biostatistics to AI in biomedical sciences: a vision for the future of research
12h00-12h15	<b>Professor Raquel Silva</b> - <i>SalivaTec</i> Multidimensional monitorization of nutritional interventions during cancer treatment – Patient centered approach including noninvasive saliva monitoring
12h15-12h30	<b>Professor Patricia Fonseca</b> - <i>Precision Dental Medicine</i> Clinical research in dentistry - new approaches.
12h30-14h00	<b>Lunch Buffet</b>
	<b>SESSION 3 – Community Care</b>
14h00-14h15	<b>Professor Nélio Veiga</b> - <i>Precision Dental Medicine</i> Community-based research: the pathway to improve health knowledge
14h15-14h30	<b>Professor Rita Canaípa</b> - <i>Translational Neuroscience</i> The Bayesian Brain Hypothesis and pain perception in migraine
14h30-14h45	<b>Professor Vânia Nunes</b> - <i>Translational Neuroscience</i> DemenPrev: A multidomain intervention for dementia prevention in the Portuguese Context
14h45-15h00	<b>Professor Sílvia Caldeira</b> - <i>Nursing Research</i> Research on spirituality in health: Internationalization, integrality, innovation, and implementation
15h00-15h15	<b>Professor Amélia Simões Figueiredo</b> - <i>Nursing Research</i> Diagnosis and risk prevention of Covid 19 in homeless people in Lisbon
15h15-16h45	<p><b>Closing Session</b></p> <p><b>Professor Peter Hanenberg</b> – Vice-Rector of the Universidade Católica Portuguesa</p> <p><b>Professor Marlene Barros</b> – CIIS Director</p> <p><b>Announcements of the BEST Poster Award &amp; Internal Grant Awards</b></p> <p><b>Coffee Break</b></p>
